

Celebrate Success

THE SEED SCHOOL OF MARYLAND'S ANNUAL WINTER INCENTIVE EVENT

Our Vision

Celebrating Success began years ago with the vision to make sure each student received a gift from the school prior to Winter Break through a point based incentive program in the month of December.

The Process

All students earn points during the defined incentive dates period. Points are earned based on their academic and behavior performance. Once the incentive period ends, the total number of points earned by each student is calculated, placing them into one tier of the four level system. Each tier level includes an assortment of gifts that student can choose from. The last day before Winter Break, students receive their gift during the Celebrating Success event.

Celebrate Success Event Guide – Winter 2021

Celebrating Success will occur on the last day of school before Winter Break on Friday, December 17, 2021.

Points will be calculated from **November 8th- December 8th.**

Ed Reed Shopping Spree: Top earners will have the option to participate in the Target Shopping Spree instead of Celebrating Success event.

POINT SYSTEMS AND INCENTIVE CRITERIA

Points are determined by referencing the point conversion table showing each incentive criteria. The maximum number of points for any student is 400.
