COMPLETE A CROSSWORD PUZZLE

1. You will be randomly paired with another student in class.
2. You will be working on the puzzle he/she created while he/she will be answering the one you did.
3. I will send you the link – via the Zoom chat box - to the puzzle that you will solve online.
4. Instructions on solving the crossword puzzle online.
   o Click a cell on the crossword grid, or click a clue.
   o The active cell is highlighted in blue.
   o Start typing in the word.
   o Hit enter when you are done typing in the word.
   o The word will turn green if correct, or red if you got it wrong.
   o Take a SCREENSHOT of your answer and submit it as an attachment with this classwork.
